

**STANDARD TERMS AND CONDITIONS OF SALE - PHARMACEUTICAL AND
VACCINE PRODUCTS DISTRIBUTED BY MERCK SHARP & DOHME (I.A.) LLC
Effective June 26, 2025**

These Standard Terms and Conditions of Sale have been updated to reflect the following changes:

- Update of Section 1 Definitions

STANDARD TERMS AND CONDITIONS OF SALE - PHARMACEUTICAL AND VACCINE PRODUCTS DISTRIBUTED BY MERCK SHARP & DOHME (I.A.) LLC.

Effective June 26, 2025

These Terms and Conditions may be updated at any time. The current version may be accessed at:
www.merckpr.com

These Standard Terms and Conditions of Sale govern all direct purchases and all returns of prescription pharmaceutical and vaccine products that are sold by Merck Sharp & Dohme (I.A.) LLC (“Merck”), a subsidiary of **Merck & Co., Inc.**, for itself and on behalf of its subsidiaries and/or affiliates (collectively, “Manufacturer”). Manufacturer has the unilateral right to modify these Standard Terms and Conditions of Sale at any time at its sole discretion. In the event of a conflict between these Standard Terms and Conditions of Sale and the terms of a product purchase agreement between Manufacturer and a Direct Purchasing Customer or a Client of a Direct Purchasing Customer, the terms of the product purchase agreement shall prevail, unless otherwise stated in such product purchase agreement.

1. DEFINITIONS

- A. **“Business Day(s)”** means Monday through Friday excluding weekends and holidays observed by Merck Puerto Rico.
- B. **“Client of Direct Purchasing Customer”** means a licensed purchaser of Product from a Distributor.
- C. **“Depot Customer”** means a division, subsidiary, parent, affiliate, or related company under the common ownership and control of a Government Customer, Depot Vaccine Purchasing Customer, or Health Care Provider Vaccine Purchasing Customer and such Depot Customer meets the requirements of a Government Customer, Depot Vaccine Purchasing Customer, or Health Care Provider Purchasing Customer as described in these Standard Terms and Conditions of Sale. These Terms and Conditions of Sale applicable to Government Customers, Depot Vaccine Purchasing Customers, and Health Care Provider Vaccine Purchasing Customers shall also apply to Depot Customers and such customers shall comply with these Standard Terms and Conditions of Sale, including but not limited to, The Storage and Handling Instructions for Transport of Refrigerated Vaccine Product from Depot Locations to Depot Customers in Section 21. A Depot Customer is not permitted to sell Product except to patients for administration of the Product at the Depot Customer facility.
- D. **“Depot Location”** means a facility that is under the control of a Government Customer, Depot Vaccine Purchasing Customer, or Health Care Provider Vaccine Purchasing Customer and stores Refrigerated Vaccine Product for distribution to a Depot Customer in accordance with the Storage and Handling Instructions for Transport of Refrigerated Vaccine Product from Depot Locations to Depot Customers in Section 21 of these Standard Terms and Conditions of Sale. A Depot Customer is not permitted to sell Product except to patients for administration of the Product at the Depot Customer facility.
- E. **“Depot Vaccine Purchasing Customer”** means a physician or physician group that owns or is employed by outpatient healthcare facilities or clinics, and that operates a Depot Location pursuant to a pharmacy license, as may be required by state or local law, for its outpatient use in order to depot Refrigerated Vaccines for distribution to Depot Customers in accordance with these Standard Terms and Conditions of Sale. A Depot Vaccine Purchasing Customer is eligible to purchase Refrigerated Vaccine Product directly from the Manufacturer or through a Distributor for shipment to a Depot Location where such vaccine may be administered to patients or redistributed to Depot Customers. A Depot Vaccine Purchasing Customer, including its Depot Customers, is not permitted to sell Product except to patients for administration of the Product at the Depot Vaccine Purchasing Customer or Depot Customer facility.
- F. **“Distributor”** means a wholesaler or physician distributor duly licensed to operate in Puerto Rico and/or US Virgin Islands.
- G. **“Direct Purchasing Customer”** means the selected categories of customers that are eligible to purchase

Pharmaceutical Products (licensed drug wholesalers, licensed federal, state and local government entities, licensed specialized pharmacies and/or infusion centers in the Commonwealth of Puerto Rico and/or the US Virgin Islands).

- H. **“Drop Shipment”** means any order sent to a Client of a Direct Purchasing Customer not legally or financially owned by the Direct Purchasing Customer, but where the invoice and payment for that particular order remains the responsibility of the Direct Purchasing Customer. Manufacturer determines which Products, if any, are eligible for Drop Shipment by Manufacturer to Client of a Direct Purchasing Customer.
- I. **“Frozen Vaccine Product”** means a Vaccine Product stored in frozen temperatures of between -50° C and -15° C (-58° F and +5° F). For purposes of these Standard Terms and Conditions of Sale, references to “Frozen Vaccine Product” or “frozen vaccines” do not include the monoclonal antibody, ENFLONSIA™ (clesrovimab-cfor).
- J. **“Government Customer”** means a federal, state, or local government entity. A Government Customer is eligible to purchase Refrigerated Vaccine Product directly from the Manufacturer or through a Distributor for shipment to a Depot Location where such vaccine may be administered to patients or redistributed to Depot Customers. A Government Customer, including Depot Customer(s), is not permitted to sell Product except to patients for administration of the Product at the Government Customer or Depot Customer facility.
- K. **“Health Care Provider Vaccine Purchasing Customer”** means a physician who owns, is employed by, or has contracted with nonpayor outpatient health care facilities; who is authorized pursuant to federal, state and local law to purchase and administer vaccines, either alone or in tandem with a collaborating physician. A Health Care Provider Vaccine Purchasing Customer is eligible to purchase Refrigerated Vaccine Product, through a Distributor or a wholesaler within the approved Direct Customer for shipment to a Depot Location where such vaccine may be administered to patients or redistributed to Depot Customers. A Health Care Provider Vaccine Purchasing Customer, including its Depot Customer(s), is not permitted to sell Product except to patients for administration of the Product at the Health Care Provider Vaccine Purchasing Customer or Depot Customer facility.
- L. **“Manufacturer Reverse Distributor”** means a business that collects Products from Direct Purchasing Customer or Client of Direct Purchasing Customer and returns them to Manufacturer to destroy or destroys them on behalf of, and at the direction of, Manufacturer. Manufacturer Reverse Distributor is identified in Section 16. C. below.
- M. **“Product”** means a Pharmaceutical Product or Vaccine Product.
- N. **“Pharmaceutical Product”** means a prescription pharmaceutical product that Manufacturer sells in the Territory.
- O. **“Refrigerated Vaccine Product”** means a Vaccine Product stored in refrigerated temperatures of between 2-8°C (36-46°F) per the Manufacturer’s Prescribing Information. For purposes of these Standard Terms and Conditions of Sale, all references to “Refrigerated Vaccine Product” shall also include the monoclonal antibody, ENFLONSIA™ (clesrovimab-cfor).
- P. **“Territory”** means the Commonwealth of Puerto Rico and US Virgin Islands.
- Q. **“Vaccine Product”** means a vaccine that Manufacturer sells in the Territory. Unless otherwise explicitly stated herein, all references to “vaccine” or “Vaccine Product” in these Standard Terms and Conditions of Sale shall also include the monoclonal antibody, ENFLONSIA™ (clesrovimab-cfor).

2. THIS SECTION IS INTENTIONALLY LEFT BLANK

3. PURCHASING REQUIREMENTS

Customers are encouraged to purchase all Pharmaceutical Products and Vaccine Products directly from Manufacturer or indirectly from a Distributor or a wholesaler within the approved Direct Purchasing Customer.

4. ORDERS

- A.** Manufacturer prefers orders to be placed electronically via Electronic Data Interchange (“EDI”), [or via email to: customerservicepr@merck.com](mailto:customerservicepr@merck.com). Only Direct Purchasing Customers with existing accounts may order through EDI or email.

B. Obligations of Direct Purchasing Customer (Financial and Credit Position)

- i.** Direct Purchasing Customer must maintain an adequate financial condition satisfactory to Manufacturer and substantiate such condition with financial statements or as otherwise requested by Manufacturer. If, in Manufacturer's judgment, at any time before shipment of Product, the financial condition of the Direct Purchasing Customer becomes impaired or unsatisfactory to Manufacturer, Manufacturer may hold, deny, or require cash payment or appropriate security before shipment. These remedies shall be in addition to, and not instead of, other remedies available to Manufacturer under these Standard Terms and Conditions of Sale or by law.
- ii.** Direct Purchasing Customers are responsible for paying, in full, all amounts that are applicable to Product purchases by the due date. No deductions, other than cash discount, if any, are permitted unless authorized by a prior credit memo or as otherwise expressly permitted herein. Direct Purchasing Customer shall reimburse Manufacturer for any cash discount taken but not earned. Manufacturer reserves the right to hold orders on accounts with past due balances until such items are resolved to Manufacturer's satisfaction.

C. Miscellaneous Account Administration

- i.** All orders are subject to acceptance by Manufacturer.
- ii.** Manufacturer reserves the right to cancel backorders after 30 days.
- iii.** Unless otherwise mutually agreed to by Manufacturer and Purchaser in writing, Manufacturer will determine the time, route, and carrier of all shipments. Orders will be subject to a service fee in an amount determined by Manufacturer when Direct Purchasing Customer requests expedited shipping, including overnight shipping.

D. Order Maximums

- i.** If a Direct Purchasing Customer's order(s), within thirty (30) days for any individual Product, exceeds 110% of the Direct Purchasing Customer's established pattern of previous total monthly purchases for that Product, then Manufacturer reserves the right to reduce, defer, back-order, or decline such order(s).
- ii.** To ensure adequate supply of a Product for all customers, Manufacturer reserves the right to reduce, defer, back-order, or decline such orders to a level below 110% of the Direct Purchasing Customer's established pattern of previous total monthly purchases for that Product.

5. PRICES

- A.** Orders will be invoiced at prices in effect at the time the order is received unless deferred shipment beyond the Manufacturer standard shipping period is requested by the Direct Purchasing Customer. If the Direct Purchasing Customer requests deferred shipment, then the order will be invoiced at the price in effect at the time of shipment. The Manufacturer standard shipping period may vary based on the category of Direct Purchasing Customer and Product purchased. Please contact the Merck Puerto Rico Order Management Center at customerservicepr@merck.com for further information regarding the Manufacturer standard shipping period for your order.
- B.** All prices are subject to change without notice. If Manufacturer changes the price of a Product, Manufacturer will not allow price adjustment for inventory on hand or enroute to Direct Purchasing Customer because of a

price change.

- C. Manufacturer reserves the right to rebill a Direct Purchasing Customer if it determines the Direct Purchasing Customer was billed an incorrect price due to internal system errors.

Please address all requests for price quotations to the Merck Puerto Rico Order Management Center at customerservicepr@merck.com.

6. TAXES

- A. Direct Purchasing Customers are responsible for paying any tax that is applicable to the sale of any Product as of the date of shipment of such Product, except for backordered Product. On backordered Product, the Direct Purchasing Customer will be responsible for Federal Excise Taxes that were applicable at the time the Product was ordered and all other taxes that were applicable at the time the Product was shipped.
- B. When product is returned to Manufacturer via Manufacturer Reverse Distributor, regardless of whether it is eligible for reimbursement, the Direct Purchasing Customer or Client of the Direct Purchasing Customer will be credited for the Federal Excise Tax paid.

7. REMITTANCES

- A. Manufacturer accepts two (2) forms of payment: Electronic and Check.:
 - i. Manufacturer prefers Electronic Payment. Arrangements for establishing payment via Electronic Fund Transfer may be made by contacting the Merck Puerto Rico Order Management Center at customerservicepr@merck.com.
 - ii. Check Payment should be sent to the lock-box address indicated on the invoice. Payment is recognized when received at this lock-box address.

B. Payment Terms

- i. Payment by check: a two percent (2%) prompt payment discount may be earned on eligible Product purchases if invoice paid within 30 days from date of invoice; net 60 days (Merck in its sole discretion will determine which Product purchases are eligible for the prompt payment discount and eligibility will be noted on the invoice).
- ii. Electronic payment: two percent (2%) prompt payment discount on eligible Product purchases if invoice paid within 35 days from date of invoice, net 36 days (Merck in its sole discretion will determine which Product purchases are eligible for the prompt payment discount and eligibility will be noted on the invoice).
- iii. Government Customers invoice payment terms are a two percent (2%) prompt payment discount may be earned on eligible Product purchases if invoice paid within 30 days from date of invoice; net 60 days (Merck in its sole discretion will determine which Product purchases are eligible for the prompt payment discount and eligibility will be noted on the invoice).
- iv. Customers on contract are subject to the terms in their contract.
- v. Regardless of the Manufacturer's terms offered above, if the discount due date falls on a Saturday, Sunday or a bank holiday, the discount is considered earned if payment is received no later than the next Business Day.

8. CLAIMS FOR LOSS, SHORTAGE, BREAKAGE, LEAKAGE, OR OTHER DAMAGE IN SHIPMENTS FROM THE MANUFACTURER

- A.** Title to merchandise sold will pass to the Direct Purchasing Customer upon delivery to the carrier at the point of shipment. Orders are shipped freight prepaid (unless expedited delivery is requested). However, unless the Direct Purchasing Customer designates the carrier, Manufacturer retains the risk of loss, shortage, breakage, or leakage until the merchandise is delivered to the Direct Purchasing Customer by the carrier.
- B.** Claims for loss, shortage, breakage, leakage, or other damage occurring in transit from the manufacturer must be submitted to the Merck Puerto Rico Order Management Center at customerservicepr@merck.com within two (2) Business Days from date of receipt. The sole and exclusive remedy of the Direct Purchasing Customer for loss, shortage, breakage, leakage, or other damage occurring in transit is Manufacturer reimbursement for affected Products, in an amount equal to the original Manufacturer invoice price, and the opportunity to repurchase the affected Products at the original Manufacturer invoice price. Alternatively, Manufacturer may, in its sole discretion, provide replacement Product. Direct Purchasing Customer agrees that no other remedy (including, but not limited to, incidental, consequential, or other damages of any kind) shall be available.
- C.** Loss, shortage, breakage, leakage, or other damage claims must also be accompanied by freight bill with notation by the carrier of the loss, shortage, breakage, or damage, or accompanied by the carrier's concealed loss or damage report where the loss is of a concealed nature. Where loss, shortage, breakage, leakage, or other damage has occurred in transit from the manufacturer, Direct Purchasing Customer agrees to cooperate fully with Manufacturer in the Manufacturer's effort to establish a claim against the carrier. Claims submitted by the Direct Purchasing Customer without appropriate documentation will be denied.
- D.** If Product is delivered damaged to the Direct Purchasing Customer, Direct Purchasing Customer should accept the shipment and email the Merck Puerto Rico Order Management Center at customerservicepr@merck.com upon receipt, for instructions. Reimbursement may be delayed if Direct Purchasing Customer does not follow this process by not taking receipt of damaged Product.
 - i.** For any order placed by the Client of a Direct Purchasing Customer through a Distributor that is delivered damaged, the Client of a Direct Purchasing Customer should contact the Distributor upon delivery for instructions.
 - ii.** The buyer and/or its agent(s) are responsible for verifying the condition/accuracy of shipments at the time of receipt and should follow the following instructions in case of loss or damage:
 - a.** Packages showing visible external evidence of damage are to be opened immediately upon arrival. Failure in complying with the above requirement may prejudice the buyer's rights under insurance.
 - b.** If the shipment is damaged, do not destroy or dispose of any packaging material.
 - c.** In the event of loss or damage, immediately, but no later than two (2) Business Days from date of receipt, notify Merck Puerto Rico Order Management Center at customerservicepr@merck.com.
 - d.** The following documents must be presented to verify a claim:
 - 1.** Formal and detailed Statement of Claim
 - 2.** Copy of packing list
 - 3.** Copy of receipt given to carrier upon delivery
 - 4.** Photograph of the damage, leakage, breakage, or shortage
 - 5.** Products in good condition and received as ordered cannot be returned for credit without prior authorization.

9. OTHER CLAIMS

- A.** Direct Purchasing Customers and Clients of Direct Purchasing Customers that receive Product that has not been subject to breakage, leakage, or other damage occurring in transit, but that otherwise appears to be defective

(“Defective Product”), should contact the Merck Puerto Rico Order Management Center at customerservicepr@merck.com. The Merck Puerto Rico Order Management Center will provide instructions on how to return Defective Product and will arrange for Product replacement. Direct Purchasing Customers and Clients of Direct Purchasing Customers that fail to follow this process (for example, by returning Defective Product with expired Product) shall not be eligible for replacement or reimbursement for the Defective Product. The sole and exclusive remedy of the Direct Purchasing Customer for Defective Product is Product replacement or reimbursement at the original purchase price. Direct Purchasing Customer agrees that no other remedy (including, but not limited to, incidental, consequential, or other damages of any kind) shall be available.

- B. All claims involving discounts, pricing, credits, returns, or account receivable issues must be received by Merck Puerto Rico Order Management Center within three (3) months of the date of invoice for the purchase in question. Unauthorized deductions taken by Direct Purchasing Customer from Direct Purchasing Customer payments, including, but not limited to, those made after this deadline, will be denied. Noncompliance could jeopardize the fulfillment of future orders.

10. CORRESPONDENCE

All Direct Purchasing Customer communication relative to **order fulfillment and other correspondence** should be directed to:

Merck Puerto Rico Order Management Center
customerservicepr@merck.com
Chrysler Bldg. Suite 400B Metro Office Park
Guaynabo, PR 00968

11. DROP SHIPMENTS

A. Pharmaceutical Products

- i. Pharmaceutical Products are generally not available for Drop Shipment.
- ii. If supply is low, Manufacturer may prohibit or restrict routine replenishment orders to Direct Purchasing Customers. If this occurs, Manufacturer may allow Drop Shipments to the Clients of a Direct Purchasing Customer on behalf of the Direct Purchasing Customer, billing the Direct Purchasing Customer at the prices in effect when such Drop Shipments are ordered.
- iii. Manufacturer reserves the right to limit the fulfillment of Drop Shipment orders.
- iv. It is the sole responsibility of the Direct Purchasing Customer to ensure that the Client of the Direct Purchasing Customer is fully licensed to receive Pharmaceutical Products.

B. Vaccine Products

- i. Vaccine Products are generally not available for Drop Shipment.
- ii. Frozen Vaccine Product may be eligible for Drop Shipment by Manufacturer to Clients of Direct Purchasing Customer, at Manufacturer’s election.
- iii. If supply is low, Manufacturer may prohibit or restrict routine replenishment orders to Direct Purchasing Customers. If this occurs, Manufacturer may allow Drop Shipments to the Clients of Direct Purchasing Customer on behalf of the Direct Purchasing Customer, billing the Direct Purchasing Customer at the prices in effect when such Drop Shipments are ordered.
- iv. Manufacturer reserves the right to limit the fulfillment of Drop Shipment orders.
- v. It is the sole responsibility of the Direct Purchasing Customer to ensure that the Client of the Direct

Purchasing Customer is fully licensed to receive vaccine products and must send Manufacturer an electronic list of customers including the following information:

- a. Customer name
- b. Physical address (must include correct zip code)
- c. Telephone number or email address
- d. Copy of the applicable Department of Health License (including "Licencia de Biológicos").
- e. Office hours (including days of the week and timings)
- f. Vaccines Administration certification, in case of licensed pharmacies interested in frozen vaccines .

12. DATED PRODUCTS

All Products carry expiration dates, which may be greater than or less than one year from the date of Product shipment. Products shall not be used after the expiration date printed on the Product label.

13. FORMULAE

The formulae shown in the Merck Catalog are those in use at the time of publication. Manufacturer reserves the right to make changes without notice whenever advances in medical science or therapeutic knowledge justify such action. Such changes and those made necessary by revisions of the USP–NF standards make it necessary that customers be cautioned to rely on the label statements appearing on the package rather than the Merck Catalog information.

14. LIABILITY

- A.** Manufacturer will assume the pharmacist's defense and possible judgment liability that might result against the pharmacist in connection with a lawsuit arising solely out of the dispensing (excluding immunization or administration by a pharmacist or anyone on pharmacist's behalf) of a Product if the following conditions are met:
 - i.** A physician prescribed a Product or a drug product by generic name or other brand name, and the pharmacist properly filled the prescription with a Product; and
 - ii.** The pharmacist cooperates fully in the defense of any lawsuit.
- B.** Manufacturer will NOT assume the pharmacist's defense and possible judgment liability if any of the following conditions apply:
 - i.** The lawsuit alleges negligence on the part of the pharmacist (including, without limitation, a claim that the pharmacist provided or failed to provide oral or written information or warnings about the Product, or if the pharmacist misrepresented or extended our warranty to the patient/customer);
 - ii.** The pharmacist dispensed another manufacturer's product in filling a prescription written for a Product; or
 - iii.** The lawsuit could not be brought against Manufacturer directly because of the National Childhood Vaccine Injury act of 1986, as amended.
- C.** Direct Purchasing Customers that administer Vaccine Products to patients warrant that they will:
 - i.** Take all appropriate steps to assure that all Vaccine Products purchased from Manufacturer shall be administered to each patient on the basis of an individualized medical judgment by a licensed, authorized health care professional; or
 - ii.** Take all appropriate steps to provide to such patient (or to the patient's parent or guardian) meaningful and complete warnings relating to the risks and benefits of vaccination with the Vaccine Product, in form and language understandable to such patient, parent, or guardian.

15. WARRANTY

Manufacturer warrants that, at the time of shipping, Products will, in all material respects, have been manufactured in conformance with current good manufacturing practices as set forth in Title 21 of the Code of Federal Regulations

effective at the time of manufacture, and will not be manufactured, sold or shipped in violation of any applicable federal, state, or local laws or regulations in any material respect. This warranty is in lieu of all other warranties, express or implied, and all other warranties, including but not limited to the implied warranties of merchantability and fitness for a particular purpose.

16. PRODUCT FOR RETURN (“RETURN POLICY”)

A. General

- i. All returns must comply with federal, state and local laws and regulations, including, but not limited to, the Prescription Drug Marketing Act.
- ii. Direct Purchasing Customers are not permitted to accept return of expired Product from Clients of Direct Purchasing Customers and must instruct Clients of Direct Purchasing Customers to make their returns directly to the Manufacturer via Manufacturer Reverse Distributor.
- iii. Manufacturer representatives are not permitted to pick up merchandise for return. Manufacturer representatives may provide information about this Return Policy; however, the ultimate decision and responsibility for selecting the items and making the return rest with the Direct Purchasing Customer or Client of Direct Purchasing Customer.
- iv. All Product identified for return by Direct Purchasing Customer or Client of Direct Purchasing Customer must be returned to Manufacturer via Manufacturer Reverse Distributor for destruction by Manufacturer or its authorized agent. Direct Purchasing Customers or Clients of Direct Purchasing Customers may not destroy Product.

B. Qualification for Reimbursement

- i. In order to be eligible for Reimbursement, returned Products must be returned in their original containers bearing the original label. The original outer packaging is not required providing the product is in a sealed container.
- ii. The period for which Manufacturer will accept Products for reimbursement (the “Product Returns Window”) is measured as follows:
 - a. Pharmaceutical Products purchased by Direct Purchasing Customers and Vaccine Products purchased by Direct Purchasing Customers are eligible for reimbursement if they are **received** by the Manufacturer Reverse Distributor ninety (90) days before the Product expiration date to ninety (90) days after the Product expiration date.
 - b. Manufacturer recommends returning parties not return Product before the first day of the Product Returns Window and not later than 15 Business Days before the end of the applicable Product Returns Window.
 - c. Product **received** by the Manufacturer Reverse Distributor outside of the applicable Product Returns Window will be accepted for destruction only.
- iii. The following will **not** be eligible for reimbursement:
 - a. Products labeled, marked, or sold as nonreturnable;
 - b. Products returned in damaged condition (broken vials, broken tablets);
 - c. Opened product of any type, including but not limited to, tablets, pills, capsules, liquids, vials, granules, ophthalmics, cartridges, and activated injectables.
 - d. Partially dispensed products of any type, including but not limited to tablets, pills, capsules, liquids, lotions, ointments, tubes, creams, gels, ampoules, and syringes.
 - e. Products that have been involved in a fire or obtained in a sacrifice or bankruptcy sale;
 - f. Products labeled as samples or free goods or repackaged Products;
 - g. Product that is not in its original container or not bearing its original label. If Product is contained

- within an outer packaging, the original outer packaging is not required provided that the Product is in a sealed container and all contents contained in the original container are included for return;
- h. Product that Manufacturer determines, in its sole discretion, is otherwise adulterated or misbranded;
 - i. Products returned by other than a Direct Purchasing Customer, Client of a Direct Purchasing Customer, or reverse distributor;
 - j. Product illegally imported into the Territory;
 - k. Counterfeit goods and/or diverted product; or
 - l. Product in which the lot number and/or expiration date is missing, illegible, covered, and/or unreadable on original container.

C. Returning Party Instructions

- i. Return products are to be sent by the returning party to Manufacturer Reverse Distributor, PharmaLink, at :

PharmaLink
Receiving Department PLI-MRK
8285 Bryan Dairy Road, #160
Largo, FL 33777
- ii. All returns require a return authorization (“RA”). RA’s are created at the following website: www.pharmalinkinc.net/MReturns/Login.aspx. In order to create an RA, an account is required which can be created on the website. Failure to return Products within 60 days of the RA creation may delay processing and reimbursement or may make the Product ineligible for reimbursement at Manufacturer’s sole discretion.
 - a. If customer does not coordinate the pick-up and sends shipment without labels received from Reverse Distributor, it will be charged with the additional cost billed to Manufacturer.
- iii. Shipments spanning multiple containers must have each carton clearly numbered (e.g., 1 of 10, 2 of 10).
- iv. The returning party will pay transportation charges. Manufacturer will not pay or give credit for transportation, service, handling, or processing fees.
- v. If a reverse distributor returns Product for multiple customers (e.g., multiple Direct Purchasing Customers or multiple Clients of Direct Purchasing Customers) in a single container, the returned Product and accompanying Return forms must be segregated by customer, to enable the Manufacturer Reverse Distributor to calculate proper reimbursement to each Direct Purchasing Customer or Client of a Direct Purchasing Customer.

D. Manufacturer Administration of Reimbursement

- i. Only those Products that conform to the foregoing requirements will be accepted for reimbursement. The credit memorandum, if applicable, will list each Product accepted for return and the amount of reimbursement. Products not accepted for reimbursement will not be returned to the returning party, but will be destroyed.
- ii. Basis of Reimbursement:
 - a. For all JANUVIA®, JANUMET®, and JANUMET XR® Products:
 - 1. Direct Purchasing Customers:
The basis for determining reimbursement, if applicable, will be the lowest price available to the Direct Purchasing Customer three (3) months before the date that the Manufacturer Reverse Distributor receives the return. Manufacturer reserves the right to adjust or eliminate the amount of reimbursement at Manufacturer’s sole discretion.

2. Clients of Direct Purchasing Customers:

The basis for determining reimbursement, if applicable, will be the lowest price available (excluding any markup or fees from any third parties) to the Client of Direct Purchasing Customer three (3) months before the date that the Manufacturer Reverse Distributor receives the return. An alternative basis for determining the reimbursement price will be the lowest contract price (excluding any markup or fees from any third parties) available to the Client of Direct Purchasing Customer for the returned Product three (3) months prior to the date that the Manufacturer Reverse Distributor receives the return, if Manufacturer can identify the contract(s) accessible by the Client of Direct Purchasing Customer. Manufacturer reserves the right to adjust or eliminate the amount of reimbursement at Manufacturer's sole discretion.

b. For all other Products:

1. Direct Purchasing Customers:

The basis for determining reimbursement, if applicable, will be the lowest price available to the Direct Purchasing Customer 18 months before the date that the Manufacturer Reverse Distributor receives the return (if pricing history is less than 18 months, Manufacturer will apply the earliest pricing available). An alternative basis for determining the reimbursement price will be the Manufacturer's invoice for the returned Product if furnished by the Direct Purchasing Customer. Manufacturer reserves the right to adjust or eliminate the amount of reimbursement at Manufacturer's sole discretion.

2. Clients of Direct Purchasing Customers

The basis for determining reimbursement, if applicable, will be the lowest price available (excluding any markup or fees from any third parties) to the Client of Direct Purchasing Customer 18 months before the date that the Manufacturer Reverse Distributor receives the return (if pricing history is less than 18 months, Manufacturer will apply the earliest pricing available). An alternative basis for determining the reimbursement price will be the lowest contract price (excluding any markup or fees from any third parties) available to the Client of Direct Purchasing Customer for the returned Product 18 months prior to the date that the Manufacturer Reverse Distributor receives the return, if Manufacturer can identify the contract(s) accessible by the Client of Direct Purchasing Customer. Manufacturer reserves the right to adjust or eliminate the amount of reimbursement at Manufacturer's sole discretion.

c. No credit will be issued for transportation/shipping, service, handling, distribution or processing fees.

iii. For Products in tablet form, reimbursement will be given based on the number of full containers of tablets returned, not to exceed the number of full containers originally purchased.

iv. The form of reimbursement is generally as follows:

- a. If the returning party is a Direct Purchasing Customer and the returned Products were purchased directly from Manufacturer, then reimbursement for returned Products will be issued in the form of a credit memo on the Manufacturer account, which may be applied against any purchase.
- b. Manufacturer will not provide reimbursement for Product to a reverse distributor, but will instead provide reimbursement to the Direct Purchasing Customer or Client of the Direct Purchasing Customer on behalf of whom the Product is returned to the reverse distributor.
- c. Manufacturer will not provide information to a reverse distributor regarding reimbursement provided to a Direct Purchasing Customer or Client of the Direct Purchasing Customer.

17. THIS SECTION IS INTENTIONALLY LEFT BLANK

18. DISASTER RELIEF VACCINE RETURN PROGRAM

Certain uninsured Vaccine Products that spoil due to a FEMA-Declared Major Disaster may be eligible for return pursuant to Manufacturer's Disaster Relief Vaccine Return Program. Further information regarding the Merck Puerto

Rico Disaster Relief Vaccine Return Program is available by contacting Merck Puerto Rico Order Management Center at www.customerservicepr@merck.com. Manufacturer reserves the right to modify or cancel the Merck Puerto Rico Disaster Relief Vaccine Return Program at any time.

19. PRODUCT RECALLS

Direct Purchasing Customers agree to fully cooperate in implementing any recall or withdrawal of Product deemed necessary by Manufacturer. Manufacturer will notify Direct Purchasing Customers in the event of a Product recall or withdrawal and will provide instructions on how to assist in returning all affected Product and communicating with Clients of Direct Purchasing Customers regarding the recall or withdrawal. Manufacturer, in its sole discretion, shall determine what, if any, recall services are required and shall make such determination on a recall-by-recall basis.

Manufacturer shall compensate Distributors for expenses incurred for recall services directly related to Distributor's inventory of the recalled Product and dissemination of recall information to Clients of Direct Purchasing Customers, to the extent requested by Manufacturer's recall notice. The amount of such compensation shall be determined by Manufacturer, in its sole discretion. Distributors requesting reimbursement for recall activities must submit their request, on the Merck Recall Reimbursement Form, within 60 days after the date on which Manufacturer sends Distributor the Merck Recall Reimbursement Form, but in any event no later than one year after Manufacturer's recall notice. The Merck Recall Reimbursement Form may be obtained by contacting customerservicepr@merck.com.

20. STORAGE AND HANDLING

- A. Direct Purchasing Customers taking physical possession of Products are fully responsible for complying with all applicable federal, state, and local laws and regulations relating to the storage, handling, and distribution of such Products, including, without limitation, any laws applicable to the distribution of controlled substances. Furthermore, Direct Purchasing Customer represents and warrants that it has and will maintain at all times the proper license or licenses required to receive, handle, and store Product, including, but not limited to, licenses that may be required to distribute Refrigerated Vaccine Product from Depot Locations to Depot Customers.
- B. Direct Purchasing Customers shall thoroughly review the documentation provided within the shipment upon receipt.
 - i. When the shipment includes a packing slip specifying a date on or by which the product must be received (noted on the slip as the "Product Must Be Received On or By" date), Direct Purchasing Customer shall immediately contact the Merck Puerto Rico Order Management Center customerservicepr@merck.com if Product is received after this date.
 - a. Receiving Instructions (Shipping Time Insert Instructions) are available at in the shipping documents and on www.merckpr.com.
 - ii. When the shipment includes a temperature recording device, Direct Purchasing Customer shall follow the instructions accompanying the device to determine if the appropriate temperature was maintained during shipping and handling and shall report all temperature excursions to Manufacturer.
 - a. Receiving Instructions (including those for the temperature recording device) are available at in the shipping documents and on www.merckpr.com. Temperature recording devices shall be returned as instructed in the shipping documents. Do not discard a temperature recording device unless instructed to do so.
 - iii. Direct Purchasing Customers must not reuse the Manufacturer's thermal shipping containers for shipments to their customers.
 - iv. Identified deviations, including, but not limited to, late delivery or temperature excursions, may require the Manufacturer and the Direct Purchasing Customer to collaboratively investigate and identify the root cause. Direct Purchasing Customers shall cooperate with Manufacturer and perform such investigations as requested by Manufacturer.
 - v. Failure to comply with the terms and conditions of this Section 20. is a violation of the Standard Terms

and Conditions of Sale. Manufacturer, in its sole discretion, may remediate such violation, including, but not limited to, by temporarily or permanently suspending the shipment of Products to the location(s) that failed to comply with these requirements.

- C. Direct Purchasing Customers shall take such precautions as are necessary to prevent Product from falling into the hands of those who may not lawfully possess or handle Product, and shall fully comply with all applicable local, state, and federal laws and regulations.
- D. Direct Purchasing Customers shall immediately report in writing to Manufacturer any in-transit loss or shortage of Product, including controlled substances.
- E. Direct Purchasing Customers shall report in writing to Manufacturer, subject to applicable federal, state and local laws and regulations, any administrative, civil, or criminal action by local, state or federal authorities against Direct Purchasing Customers, its officers, or employees, regarding alleged violations of the Controlled Substance Act of 1970, as amended or other comparable legislation, and shall provide Manufacturer with complete information concerning the disposition of such action.
- F. Direct Purchasing Customers warrant and agree not to stock any counterfeit goods, diverted Product, Product that is illegally imported into the Territory, expired Product, or Product that has been used, opened, repackaged, or otherwise tampered with.
- G. Direct Purchasing Customers shall take precautions during receiving, storage, and packing for distribution to prevent product in glass containers (e.g., vials, syringes) from falling or dropping. If product packaged in glass containers is handled roughly or dropped from a distance greater than six (6) inches, it must be discarded and must not be distributed to Clients of Direct Purchasing Customers or dispensed/administered to patients.
- H. Eligibility to purchase any Product considered to be a controlled substance shall be limited to those Direct Purchasing Customers that have (i) completed Manufacturer's Controlled Substances Handling and Suspicious Order Monitoring Questionnaire (the "Questionnaire"), including an revised or updated version thereof that Manufacturer may issue from time to time in its sole discretion, or (ii) submitted such other responsive documentation of Direct Purchasing Customer's controlled substance compliance program that is otherwise acceptable to Manufacturer, in its sole discretion. Notwithstanding anything to the contrary in these Standard Terms and Conditions of Sale, Manufacturer shall have the right to refuse to sell controlled substances to any Direct Purchasing Customer or to place reasonable restrictions on Direct Purchasing Customer's purchases of controlled substances if (i) Manufacturer reasonably determines, in its sole discretion, the Direct Purchasing Customer has provided an incomplete, inaccurate, deficient, or otherwise unsatisfactory response or information in the Questionnaire or other related documentation, or (ii) Manufacturer reasonably determines, in its sole discretion, that the Direct Purchasing Customer is handling, storing, or distributing controlled substances in a manner that is not compliant with applicable law or that otherwise creates the appearance of non-compliance, until such time as Manufacturer is able to investigate the matter and make a final determination, or (iii) Manufacturer reasonably determines, in its sole discretion, that Direct Customer is not compliant with any applicable EDI requirements, irrespective of any grace periods that may have been extended to Direct Customer, in Manufacturer's sole discretion.

21. STORAGE AND HANDLING INSTRUCTIONS FOR TRANSPORT OF REFRIGERATED VACCINE PRODUCT FROM DEPOT LOCATIONS TO DEPOT CUSTOMERS

These instructions apply to the storage and distribution of Refrigerated Vaccine Product from Depot Locations to Depot Customers only. These storage and handling instructions do not apply to **BCG VACCINE (TICE® strain)**. Please contact the Merck Puerto Rico Order Management Center at customerservicepr@merck.com, for information regarding this product.

- A. If it is necessary to transport Refrigerated Vaccine Product to a Depot Location, Refrigerated Vaccine Product must be maintained at a temperature range of 2-8°C (36-46°F) while in storage and in transit to Depot Customers.
- B. If the Refrigerated Vaccine Product must be transported from a Depot Location to a Depot Customer, Depot Location personnel should consider including a temperature recording device to monitor that an appropriate

temperature of 2-8°C (36-46°F) is maintained during transit. If used, the temperature monitor should be placed next to the vaccine and should not come in contact with gel packs.

- C. Do not place Refrigerated Vaccine Product in an area where the temperature cannot be regulated, for example, inside the trunk of the vehicle or left unattended inside a vehicle. Avoid placing the container in direct sunlight, or directly in line with any heating or cooling source. Staff should be instructed to deliver the vaccine directly to the appropriate personnel as soon as possible for proper storage as described in the Manufacturer's Prescribing Information.
- D. If you have any questions about a Manufacturer's Product or these instructions, please contact the Merck Puerto Rico Order Management Center at customerservicepr@merck.com.

22. CHARGEBACK POLICY FOR DISTRIBUTORS

Policies and procedures specific to chargebacks are set forth in Appendix A as part of these Standard Terms and Conditions and are available on request.

23. FORCE MAJEURE

Neither Manufacturer nor Direct Purchasing Customer shall be liable for delay or failure of performance occasioned by causes beyond its control, including, but not limited to, acts of God or the public enemy, civil unrest, riots, acts of terrorism, declared or undeclared wars, fires, floods, unusually severe weather, earthquakes, or volcanoes ("Force Majeure Event"). If either party is affected by a Force Majeure Event, the affected party shall give the other written notice, which shall cause, without penalty to either party, all obligations under these Standard Terms and Conditions of Sale to be immediately suspended for a period of sixty (60) days.

24. COMPLIANCE WITH LAW

Direct Purchasing Customers and Clients of a Direct Purchasing Customer shall comply with all federal, state, local, and other applicable laws and regulations including, but not limited to, the provisions at 42 C.F.R. § 1001.952(h)(1) relating to the reporting of discounts. Direct Purchasing Customers and Clients of a Direct Purchasing Customers agree to the extent required under applicable federal state or local laws, to accurately report to private and governmental third-party payors and others the net effective price, and any other information that must be disclosed under applicable law, for each Product purchased.

25. AGREEMENT, ORDER OF PRECEDENCE, AND MODIFICATION

An order of Product from Manufacturer by a Direct Purchasing Customer signifies Direct Purchasing Customer's agreement to be bound by these Standard Terms and Conditions of Sale. The terms herein take precedence over any conflicting or inconsistent terms contained in any other quotation, purchase order, acknowledgement, invoice, or other document issued by anyone other than Manufacturer except as otherwise provided expressly herein. Any terms or conditions proposed by any party other than Manufacturer that are inconsistent with, or in addition to, these Standard Terms and Conditions of Sale shall be void and of no effect unless Manufacturer agrees to such terms and conditions in writing signed by Manufacturer. No additional terms are implied by usage of trade, by course of dealing, or by course of performance. Notwithstanding anything to the contrary in this Section, Manufacturer has the unilateral right to modify these Standard Terms and Conditions of Sale at any time at its sole discretion.

26. SEVERABILITY

If any provision or clause of these Standard Terms and Conditions of Sale conflicts with the governing law or if any court of competent jurisdiction holds invalid any provision or clause of the Standard Terms and Conditions of Sale, then such provision shall be deemed modified to reflect as nearly as possible the parties' intent. The remainder of the Standard Terms and Conditions of Sale shall remain in full force and effect.

27. GOVERNING LAW AND JURISDICTION

This Agreement shall be governed by and construed and enforced in accordance with the laws of the Commonwealth of Puerto Rico exclusive of its choice of law rules without regard to its conflicts of laws provisions. Direct Purchasing

Customer (or Client of a Direct Purchasing Customer) agrees to submit to the jurisdiction of any competent federal, state or local court sitting in the Commonwealth of Puerto Rico.
